

**STATE OF ILLINOIS
ILLINOIS COMMERCE COMMISSION**

COMMONWEALTH COMPANY	EDISON	
Application for a Certificate of Public Convenience and Necessity, pursuant to Section 8-406.1 of the Illinois Public Utilities Act, and an Order pursuant to Section 8-503 of the Illinois Public Utilities Act, to Construct, Operate, and Maintain a new 345 kilovolt transmission line in Ogle, DeKalb, Kane and DuPage Counties, Illinois		Docket 13-0657 On Rehearing
EXCEPTIONS		

Pursuant to § 10-111 of the Public Utilities Act, 220 ILCS 5/10-111, and § 200.830 of the Rules of Practice of the Illinois Commerce Commission (the “Commission”) and the Proposed Order on Rehearing of the Administrative Law Judges (“ALJPO”) filed on March 24, 2015, Michael Petersdorf, Sarah Petersdorf, and Ellen Roberts Vogel (together, the “SP Parties”), file their Exceptions to the ALJPO. The Brief on Exceptions is provided in a separate, contemporaneously filed, document.

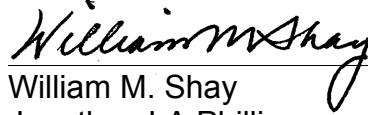

- Revise page 17 of the ALJPO to add the following language just prior to Section E, “Commission Analysis & Conclusion:”

The SP Parties further argue that the Approved Route is superior to both the MGRP and the ComEd Conditional Rehearing Alternative. Applying the Commission’s siting criteria, the SP Parties assert that the Approved Route impacts fewer homes, impacts fewer non-residential structures, has less visual impact, has greater community acceptance, and is less impactful on existing

development. The SP Parties further point out that while routes traversing through the Muirhead Springs Forest Preserve may be slightly shorter, the record shows that constructing the line would be more difficult and possible cost-savings are unlikely to be attained.

Respectfully submitted,

Michael Petersdorf, Sarah Petersdorf,
and Ellen Roberts Vogel,

A handwritten signature in black ink, reading "William M. Shay". The signature is written in a cursive style with a large, stylized "S" at the end.
